

## Course Schedule, group B15-103

### MONDAY

|               |       |                                                                                    |
|---------------|-------|------------------------------------------------------------------------------------|
| 10:15 — 11:50 | ■ SEM | Physical Education (Elective Discipline) ♣ dep. 15/3                               |
| 12:45 — 14:20 | ■ LEC | Engineering Calculations and Design of Nuclear Installations ♣ Fedoseev V.N. ♣ 401 |
| 14:30 — 16:05 | ■ LAB | Heat and Mass Transfer Theory ♣ Deev V.I., Struchalin P.G. ♣ E-403                 |
|               | ■ LAB | Life Safety ♣ Hayretdinov S.I. ♣ E-214                                             |
| 16:15 — 17:50 | ■ LEC | Life Safety ♣ Kosterev V.V. ♣ B-100                                                |

### TUESDAY

|               |       |                                                                                                                                                                                                                                                                                   |
|---------------|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 08:30 — 10:05 | ■ LEC | Opt Military Training ♣ ДОТ                                                                                                                                                                                                                                                       |
| 10:15 — 17:00 | ■ SEM | Opt Military Training ♣ ДОТ                                                                                                                                                                                                                                                       |
| 17:05 — 18:40 | ■ SEM | Elect Term Project (Engineering Calculations and Npp Design) <b>(2018-12-11 — 2018-12-18)</b> ♣ Mitrofanova O.V., Merinov I.G., Maslov Y.A., Kruglov V.B., Kruglov A.B., Korsun A.S., Delov M.I., Deev V.I., Kutsenko K.V., Fedoseev V.N., Struchalin P.G., Pozdeeva I.G. ♣ E-402 |
|               | ■ SEM | Elect Term Project: Design and Equipment Selection for Nuclear Reactors; Safety and Efficiency of Nuclear Reactors <b>(2018-12-11 — 2018-12-18)</b> ♣ E-409A                                                                                                                      |

### WEDNESDAY

|               |       |                                                                                  |
|---------------|-------|----------------------------------------------------------------------------------|
| 08:30 — 10:05 | ■ LEC | Hydrodynamics of Nuclear Power Stations ♣ Korsun A.S. ♣ V-403                    |
| 10:15 — 11:50 | ■ SEM | Heat and Mass Transfer Theory ♣ Deev V.I. ♣ V-417                                |
| 12:45 — 14:20 | ■ LEC | Heat and Mass Transfer Theory ♣ Deev V.I. ♣ B-100                                |
| 14:30 — 16:05 | ■ SEM | Opt Methods of experimental data processing ♣ Subgroup 1 ♣ Roganov E.A. ♣ V-106  |
|               | ■ SEM | Opt Methods of experimental data processing ♣ Subgroup 2 ♣ Roganova N.A. ♣ V-106 |
| 16:15 — 17:50 | ■ LEC | Elect Experimental Reactor Physics ♣ Bushuev A.V., Aleeva T.B. ♣ K-305           |

### THURSDAY

|               |       |                                                                                                                                                                                                                         |
|---------------|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 08:30 — 10:05 | ■ LEC | Life Safety ♣ Kosterev V.V. ♣ A-100                                                                                                                                                                                     |
| 10:15 — 11:50 | ■ SEM | Engineering Calculations and Design of Nuclear Installations ♣ Maslov Y.A. ♣ 31-200                                                                                                                                     |
| 12:45 — 14:20 | ■ LEC | Metrology, Standardization and Certification ♣ Fedorov S.G. ♣ B-100                                                                                                                                                     |
| 14:30 — 16:05 | ■ LEC | Materials Science (Materials for Nuclear Reactors). ♣ Tenishev A.V. ♣ T-209                                                                                                                                             |
| 16:15 — 18:05 | ■ SEM | Practical Training (Research Work) ♣ Deev V.I., Fedoseev V.N., Struchalin P.G., Pozdeeva I.G., Mitrofanova O.V., Merinov I.G., Kutsenko K.V., Kruglov V.B., Kruglov A.B., Korsun A.S., Delov M.I., Maslov Y.A. ♣ dep.13 |

### FRIDAY

|               |       |                                                                                                                                                                                                                                                  |
|---------------|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 08:30 — 11:50 | ■ LEC | Elect Physics of Nuclear Reactors <b>(2018-09-07 — 2018-11-23)</b> ♣ Kuzmin A.M. ♣ K-210                                                                                                                                                         |
|               | ■ LEC | Elect Physics of Nuclear Reactors <b>(2018-11-30 — 2018-12-21)</b> ♣ Kuzmin A.M. ♣ K-1006                                                                                                                                                        |
| 10:15 — 11:50 | ■ LEC | Elect Experimental Reactor Physics ♣ Aleeva T.B., Bushuev A.V. ♣ 31-200                                                                                                                                                                          |
| 12:45 — 14:20 | ■ LAB | Elect Physics of Nuclear Reactors ♣ Stogov Y.V. ♣ 31-200                                                                                                                                                                                         |
|               | ■ SEM | Elect Experimental Reactor Physics ♣ Bushuev A.V., Aleeva T.B., Smirnov V.E. ♣ 31-110                                                                                                                                                            |
| 14:30 — 16:05 | ■ SEM | Elect Physics of Nuclear Reactors ♣ Kulikov E.G., Kuzmin A.M. ♣ E-411                                                                                                                                                                            |
|               | ■ LAB | Elect Experimental Reactor Physics ♣ Aleeva T.B., Smirnov V.E., Bushuev A.V. ♣ 31-110                                                                                                                                                            |
| 16:15 — 17:50 | ■ SEM | Elect Term Project (Engineering Calculations and Npp Design) ♣ Mitrofanova O.V., Kutsenko K.V., Deev V.I., Delov M.I., Korsun A.S., Kruglov A.B., Kruglov V.B., Maslov Y.A., Merinov I.G., Pozdeeva I.G., Struchalin P.G., Fedoseev V.N. ♣ E-402 |
|               | ■ SEM | Elect Term Project: Design and Equipment Selection for Nuclear Reactors; Safety and Efficiency of Nuclear Reactors ♣ E-409A                                                                                                                      |
