

Kashurnikov Vladimir A.

Course Schedule

WEDNESDAY

11:55 — 13:30	■ LEC	Condensed Matter Physics	👥 B14-203, B14-S02	📍 K-210
---------------	-------	--------------------------	--------------------	---------

THURSDAY

14:30 — 16:05	■ LEC	Numerical Methods in Quantum Physics	👥 B15-203	📍 K-1102
---------------	-------	--------------------------------------	-----------	----------

FRIDAY

12:45 — 14:20	■ LEC	Phase Transitions in Condensed Matter (2017-09-01 — 2017-12-15)	👥 M17-204, M17-214, M17-284	📍 K-1018
---------------	-------	-----------------------------------------------------------------	-----------------------------	----------

14:30 — 16:05	■ SEM	Phase Transitions in Condensed Matter (2017-09-01 — 2017-12-15)	👥 M17-204, M17-214, M17-284	📍 K-1018
---------------	-------	-----------------------------------------------------------------	-----------------------------	----------
